

INSTRUCTIONAL SUPPLIES (M)

M

It shall be the policy of this Board to supply each teaching staff member with the supplies, materials, and equipment necessary for the implementation of the approved program, and pupils with the supplies and materials they need for the successful completion of courses of study which are part of their assigned curriculum.

Exceptions to this policy shall be:

1. Where pupils prepare useful items which they are permitted to keep, they shall pay the district the cost of the materials used.
2. Where the foregoing requirement(s) impose(s) a financial hardship on a pupil, the Board will assume the cost.

The Superintendent shall devise procedures, assuring that no pupil need be denied participation in the school program for financial reasons while, at the same time, guarding the privacy of each pupil.

The Board may require that pupils provide certain supplies for conduct of co-curricular activities.

The Clearview Regional High School District Board of Education believes that personnel and materials appropriate to the needs of the school program must be available to each pupil and teacher.

To be in compliance with the requirements of Federal law, the Board of Education directs the Superintendent to distribute curriculum materials and instructional supplies to the schools in such a way that equivalence of such materials is ensured among the schools. Staff shall be assigned to comply with this directive.

The Board will endeavor to provide the supportive resources and personnel necessary for teachers to implement the approved curriculum in their classrooms, and work effectively with pupils.

It will be the administration's responsibility to set up and maintain such central services for curriculum materials, including audiovisual materials, as needed, and appropriate channels through which teachers and pupils will be supplied with these resources.

School administration will be responsible for identifying and correcting or preventing segregated, imbalanced, or racially-identifiable school and/or classroom enrollments.

In addition, there will be a media resource center and media specialist to offer pupils instruction and teachers assistance in selecting and using learning resources.
