

ATHLETIC AWARDS

The Board wishes to recognize the achievements of pupils who give many hours of their time to represent the school in interscholastic athletics. Suitable awards may be presented individually or collectively to participants in activities where outstanding and meritorious achievement warrants such recognition and awards should be an appropriate reflection of the degree and extent to the individual pupil's personal involvement. Trophies or jewelry awards may be presented in instances where a "championship" involve a single event or competition. Requirements for awards in each sport shall be decided by a committee composed of coaches, Athletic Director, and Principal. This can be found in the Student Athletic Handbook.
