

2622 STUDENT ASSESSMENTS (M)

M

The Commissioner of Education shall implement a system and related schedule of Statewide assessments to evaluate student achievement of the Core Curriculum Content Standards in accordance with the provisions of N.J.A.C. 6A:8-4.1 et seq. The Board of Education is required to administer the applicable statewide assessments according to the schedule prescribed by the Commissioner.

State assessments provide parents with important information about their child's progress; detailed diagnostic information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments will be utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly. Such data can be accessed and utilized as a student progresses to successive school levels.

The New Jersey Department of Education, pursuant to State law and regulations, requires all students to take State assessments as scheduled. There is no provision for a student to opt-out of Statewide assessments. If a student is absent on a testing date, the student will be expected to take the missed test on another school day. Parents and students will be informed of all scheduled testing dates, including make-up testing dates for students who missed the initial testing date.

Statewide Assessments System

The Superintendent of Schools shall develop and annually present to the Board for its approval an assessment program that complies with the rules of the State Board of Education.

Test Administration Procedures and Security Measures

All Statewide assessments shall be administered in accordance with the Department of Education's required test administration procedures and security measures. Any breach of such procedures or measures shall be immediately reported to the Superintendent or designee.

Documentation of Student Achievement

The Department of Education shall provide the Superintendent with documentation of student achievement after administration of each test in accordance with the provisions of N.J.A.C. 6A:8-4.2. The Board shall maintain an accurate record of each student's performance on statewide assessments in accordance with N.J.A.C. 6A:8-4.2. Information regarding individual student test scores shall only be released in accordance with Federal and State law.

Accountability

The Superintendent shall report preliminary and final results of annual assessments to the Board of Education as required by the New Jersey Department of Education. The Board will provide parents, students, and citizens with results of annual assessments according to N.J.A.C. 6A:8-4.3. The Board shall provide appropriate instruction to improve skills and knowledge for students performing below established levels of student proficiency in any content area either on Statewide or local assessments. All students are expected to demonstrate the knowledge and skills of the Core Curriculum Content Standards as measured by the Statewide assessment system.

In accordance with the requirements of N.J.A.C. 6A:8-4.5, the Department of Education shall report annually to the State Board of Education and the public on the progress of all students and student subgroups in meeting the Core Curriculum Content Standards as measured by the Statewide assessment system. In public reporting of school and district performance data, the Department of Education shall not compromise the confidentiality of individual students.

Parental Notification

Parents shall be informed of the district assessment system and of any special tests that are to be administered to their children.

Student Accommodations/Modifications

The Board shall provide appropriate accommodations or modifications to the Statewide assessment system as specified by the Department of Education for English language learners (ELLs) and students with disabilities as defined in N.J.A.C. 6A:14-1.3 or eligible under Section 504 of the Rehabilitation Act as determined by the Individualized Educational Plan (IEP) or 504 Team in accordance with N.J.A.C. 6A:8-4.1(d)1.
