

8210 SCHOOL YEAR

The Board of Education recognizes that the preparation of a school calendar is essential to orderly educational planning and to the efficient operation of the district.

The Board shall determine annually the days when the schools will be in session for instructional purposes. The school calendar will provide no fewer than one hundred eighty days of instruction. Days on which school is closed for holidays, teachers' institutes, and inclement weather shall not be considered as days in session.

A school day shall consist of not less than four hours of actual instruction. A half-day class shall be considered the equivalent of a full day's attendance only if the class is in session for four hours or more, exclusive of recess periods or lunch periods.

The Commissioner of Education shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse pupils for religious observance upon the written request signed by the parent or person standing in loco parentis. Staff members shall avoid, whenever possible, scheduling a test on a religious holiday commonly observed by residents of the district.

The Superintendent shall, in consultation with the Harrison and Mantua Townships and the Gloucester County Office of Education annually prepare and submit to the Board a school calendar for approval. The Board reserves the right to alter the school calendar when such alteration is feasible and serves the best interests of the pupils of this district.
