

## Parent – School Compact

The Clearview Board of Education and the parents and guardians of its students recognize that a child's education is a responsibility shared by the school and family during the entire period the child spends in school. To support the goal of the school district to educate all students effectively, the schools and parents must work as knowledgeable partners.

Clearview Regional High School District, in collaboration with parents, will establish programs and practices that enhance parent involvement and reflect the specific needs of students and their families.

To this end, the Board supports the development, implementation, and regular evaluation of a parent involvement program, which will involve parents at all grade levels in a variety of roles. The parent involvement programs will be comprehensive and coordinated in nature. They will include, but not be limited to, the following components of successful parent involvement programs:

- Communication between home and school is regular, two-way, and meaningful.
- Responsible parenting is promoted and supported.
- Parents play an integral role in assisting student learning.
- Parents are welcome in the school, and their support and assistance are sought.
- Parents are full partners in the decisions that affect children and families.
- Community resources are made available to strengthen school programs, family practices, and student learning.

The Board of Education supports professional development opportunities for staff members to enhance understanding of effective parent involvement strategies. The Board also recognizes the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation.

In addition to programs at the school level, the Board of Education supports the development, implementation, and regular evaluation of a program to involve parents in the decisions and practices of the school district, using to the degree possible, the components listed above. Engaging parents is essential to improved student achievement. This school district will foster and support active parent involvement. Parents in turn will support the efforts and events provided by the school. Please contact the person listed below for more information.
