

## 2411 SCHOOL (GUIDANCE) COUNSELING (M)

M

The Board of Education requires that a planned program of school counseling services be an integral part of the educational program to assist students in making and implementing informed educational and occupational choices including academic, career and personal/social development.

A comprehensive school counseling program, including developmental career guidance and exploration, shall be offered to all students in this school district and shall be conducted entirely by staff members certified as school counselors.

The Superintendent is directed to implement a school counseling program that carries out the purposes of this policy and:

1. Involves teaching staff members at all appropriate levels;
2. Honors the individuality of each student;
3. Is integrated with the total educational program;
4. Is coordinated with available resources of the community;
5. Provides for cooperation of school staff with parents and shares parents' concern for the development of their children;
6. Provides for the means of sharing information among appropriate staff members in the student's interest;
7. Is available equitably to all students and prohibits biased counseling and the use of materials that discriminate among students on the basis of their race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability; and
8. Establishes a referral system that utilizes all the aid the schools and community offer, guards the privacy of the student, and monitors the efficacy of such referrals.
