

SECTION 504 OF THE REHABILITATION ACT OF 1973 - STUDENTS (M)

2418 SECTION 504 OF THE REHABILITATION ACT OF 1973 – STUDENTS

(M)

The Board will comply with Section 504 of the Rehabilitation Act of 1973, the purpose of which is to eliminate discrimination on the basis of disability in any program or activity receiving Federal financial assistance.

Guarantee of Rights

The Board will provide a free appropriate public education to each student with a disability regardless of the nature or severity of the disability.

The Board will make reasonable accommodations to ensure that no student with a disability, solely on the basis of the disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity sponsored by this Board, including participation in non-academic and extracurricular services and activities.

The administration will undertake to identify and locate all students with disabilities between the ages of three and twenty-two, who are residing within the district, but not receiving a public school education. The administration will take steps to notify such students and their parents of the district's duty to provide accommodations for students with disabilities as well as procedures to determine eligibility for such accommodations.

Educational Setting

The Board will ensure that a student with a disability participates with nondisabled students in activities and services to the maximum extent appropriate to the needs of the student with a disability.

The school administration will place a student with a disability in the regular educational environment within the district unless the district demonstrates that the education of the student with a disability in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily.

Evaluation and Placement

SECTION 504 OF THE REHABILITATION ACT OF 1973 - STUDENTS (M)

The Board will establish standards and procedures for initial evaluations and periodic re-evaluations of students who need or are believed to need accommodations, special education, and/or related services because of a disability. Evaluations may include, but are not limited to, a review of work samples, direct observation, interviews, and/or administration of assessment measures.

State or Local Law

The obligation to comply with the Rehabilitation Act of 1973 is not obviated or alleviated by the existence of any State or local law or other requirement that, on the basis of disability, imposes prohibitions or limits upon the eligibility of a student with a disability to receive services.
