Bonjour French 4 and AP French students;

Please complete all the readings and activities in the packet you received in school for summer. In addition learn

all vocabulary with the “\*” mark next to it. All words are important but those are mandatory that you know. If you should lose your packet please contact me via email and I will send you another packet electronically. The more words you learn the better your success overall will be. Your “BIEN LU” packet should be highlighted and texted marked so that you have complete understanding of the story. We will listen to the story in class starting in September and this will serve as your review of the story. Enjoy your summer but also read and learn your vocabulary.

Bien à vous

Monsieur Ellis
