Post-Graduate (Class of 2014)

- 64% 4 year colleges
- 28%* 2 year colleges
- 1% Trade/Technical Schools
- 2% Employment
- 1% Military
- 4% Other

* Includes students in the NJ Stars Program

Statistics

School Graduation rate: 95%
Student/Teacher Ratio: 14/1

Grade Scale

70—100 = Passing
Below 70 = Failing

Clearview Regional High School utilizes the numerical grade, without conversion to a letter grade, for grade reporting.

When conversion to an “alpha” grade is required, the following grade scale may be used:

93—100 = A
85—92 = B
70—75 = D
Below 70 = Failure

Class Rank

Honors and Advanced Placement Courses are weighted. All students are ranked according to the following formula:

Grade X Credits attempted = Grade Point
Total Credits Attempted Average

Graduation Requirements

130 Credits which must include:

- 20 credits Language Arts Literacy
- 15 credits Social Studies
- 20 credits Health Safety/Physical Education
- 15 credits Mathematics
- 15 credits Science
- 5 credits World Language
- 5 credits Visual, Performing Arts
- 5 credits 21st Century Life & Careers, or Career-Technical Education
- 30 credits Electives

Special Needs Program

The district offers a complete range of services for special needs students. Inclusive and Resource Center classrooms are interspersed throughout both the Middle and High schools, and students have access to assistive technologies, reading labs and individualized supports where necessary. Transition Planning and Life Skills instruction are built into all Special Education programs.

Extra-Curricular Activities

Clearview offers a variety of extra-curricular activities including the Science League, DECA (a national marketing education program), FCCLA (Family, Career and Community Leaders), Mock Trial, Mathematics and Foreign Language competitions, as well as a comprehensive athletic program. The school has won many conference and South Jersey championships, theater and vocal groups have received national and statewide awards and recognition. The high school marching band continues to excel at the regional and state levels.

The school has won many conference and South Jersey championships, theater and vocal groups have received national and statewide awards and recognition. The high school marching band continues to excel at the regional and state levels.
The Community

The regional school district includes rural and suburban areas of Mantua and Harrison Townships with a combined population of approximately 25,000. The socio-economic level continues to increase including executive, professional, skilled labor, and farming occupations. The community is located within 30 minutes of metropolitan Philadelphia. Residents have high expectations for their schools, and are welcomed participants in the educational process.

The Schools

The Clearview District is composed of the Middle School - grades 7 and 8, and the High School - grades 9 – 12. The Middle School enrollment is approximately 900 and the High School enrollment is approximately 1,600. Both schools are located on one large campus with athletic fields, tennis courts, and other facilities which are used extensively for both school and community activities.
