**DATE:** Oct. 14, 2018

**DATE:** Oct. 21, 2018

**DATE:** Oct. 28, 2018

**Description of the possible adverse effects of the pesticides as per the Material Safety Data Sheets for the pesticides to be used, if available:**

May cause slight eye irritation, slight skin irritation

**Pesticide product label instructions and precautions related to Public Safety.**

Avoid contact with eyes and skin when applying. Rinse contact area with water for 15 to 20 minutes. Call poison control center

**Note: as required by law, we are advising you of the following statement:**

*The Office of Pesticide Programs of the United States Environmental Protection Agency has stated:*

*“Where possible, persons who potentially are sensitive, such as pregnant women, infants, and children, should avoid any unnecessary pesticide exposure.”*

---

**REMEMBER:** Whenever a non-low impact pesticide is used on school property there is also a Restricted Entry Interval (REI) that begins when the pesticide application ends. This Restricted Entry Interval last for seven hours unless the product label uses NUMERIC LANGUAGE, e.g., 4hours or 12 hours; directing a longer or shorter period of time. If the product label does not discuss Restricted Entry the period of time defaults to seven (7) hours.
