Clearview Regional High School: Mullica Hill, NJ

Clearview Regional High School's Jefferson Awards SIA team is dedicated to serving others and creating a meaningful impact in their community. Clearview SIA makes their community excited to engage in service by creating fun and easy ways for them to get involved. This year's theme was, "Tending to Our Garden," as they set out to nurture their garden of service that would grow more abundant and impactful each year. They mentored underclassmen, built partnerships and respected the dignity of their beneficiaries. The Clearview SIA team is creating a legacy of service and leadership, passing along the skills they have learned working with the Jefferson Awards Foundation.
